Since 1924

EXPECT EXTRAORDINARY

BRIT DYNAMIC

CROSSOVER AND ABOVE

The MG ZS is a heavyweight in its class, featuring top-spec features and styling that will have necks craning for a better look.

KEEP CALM AND DRIVE

Your drive is made easier with driver safety features like a Reverse Camera, Antilock Brake System, Cornering Brake Control, Electronic Brake Assist, Electronic Brake Distribution, Hill Start Assist, Tire Pressure Monitoring System, and Traction Control System.

EFFICIENT POWER

The ZS is powered by a 1.5L naturally aspirated engine with 114 Ps and 150 Nm of torque.

A PREMIUM CABIN

Liberally covered in soft-touch materials, its interior is comfortable and ergonomic, featuring easy to reach controls and abundant storage areas.

CONNECTIVITY IS KEY

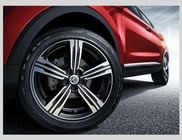
The ZS features an 8-inch LCD infotainment system with Apple Carplay® so you can stay connected while keeping both hands on the wheel.

BIG ON SPACE

Legroom and headroom are not a problem with the ZS. Comfortably fit the crew and have space for luggage, too.

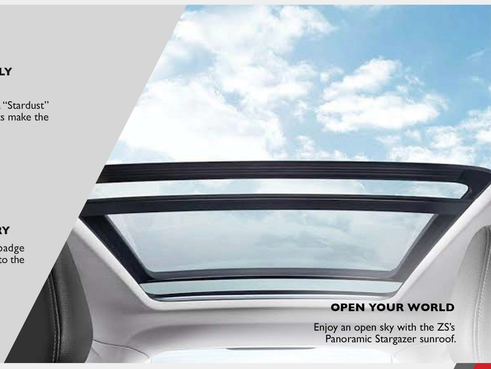
UNAPOLOGETICALLY STYLISH

"London Eye" headlights, a "Stardust" grille, and "Polaris" taillights make the ZS a real looker.



AN ODE TO HISTORY

MG's iconic hexagonal badge lends its design philosophy to the ZS's 17-inch alloy wheels



OPEN YOUR WORLD

Enjoy an open sky with the ZS's Panoramic Stargazer sunroof.

HEAVYWEIGHT SAFETY

The ZS comes standard with Collision Protection and full length curtain airbags.

RIGID TO THE CORE

The ZS's safety cage is rigid with 18,400 Nm per degree of stiffness. Its ultra high strength steel passenger cabin is energy absorbing and impact dissipating.

DRIVING MADE EASY

A Push Start/Stop button as well as a multi-function steering wheel make driving a breeze.

THE FAMOUS BADGE

MG's identity is summarized in this iconic octagon. From the moment in 1924 England that Morris Garages became "MG," the brand continuously evolved and has become a mainstay in the driving community.
